1st International Symposium

Regeneration and Esthetics in Periodontology and Implant Dentistry

Chairmen: Prof. Daniel Buser and Prof. Anton Sculean

November 8/9, 2013 • Congress Center, Kursaal Bern

Welcome

Dear colleagues

We encourage you to come to Bern in early November 2013 to attend the **1st International Symposium on Regeneration and Esthetics in Periodontology and Implant Dentistry** offered by the University of Bern. Both areas are fields of high interest in Dental Medicine, and the University of Bern is known to have an excellent international reputation in these surgical disciplines.

We have been able to attract an excellent faculty of speakers with a top international reputation. The program is structured into four sessions with lectures of 30 minutes, followed by a panel to discuss the relevant questions concerning regenerative and esthetic aspects in Periodontology and Implant Dentistry. The main focus will be on surgical techniques how to deal with tissue deficiencies around teeth or at potential implant sites.

The new Congress Center of the Kursaal Bern will offer you top modern and spacious state-of-the-art facilities with a brilliant AV technique and a large industrial exhibition area, where you will find the latest biomaterials and instruments relevant to both fields. The Congress Center is centrally located, and only a 5 minutes walk away from the Old City of Bern. This world famous UNESCO World Heritage site offers a cozy atmosphere and attractive shopping opportunities along the famous covered arcades.

Prof. Daniel Buser & Prof. Anton Sculean

Pre Symposium workshops and video sessions

Thursday, November 7, 2013

Rooms: Bellavista 2–4, 5, Orione and Szenario

From 12:00 Registration for the workshops and the video sessions

13:00	Workshop 1* (on porc mandibles) Implant placement with simultaneous contour augmentation using GBR to achieve predictable esthetic outcomes	Speakers: D. Buser / V. Chappuis Room Bellavista or Orione
13:00	Video session 1 Flap designs and surgical techniques to improve the outcomes in regenerative and plastic esthetic surgery	Presentation: A. Sculean / L. Trombelli Room Szenario
15:00	Coffee break	
15:30	Workshop 2 (on porc mandibles) Flap designs to optimize the outcomes in intrabony and furcation defects	Speakers: A. Sculean / L. Trombelli Room Bellavista or Orione
15:30	Workshop 3 (on porc mandibles) Surgical techniques using connective tissue replacement material for coverage of single and multiple gingival recessions	Speakers: S. Aroca / G. Salvi Room Bellavista or Orione
15:30	Video session 2 Surgical techniques with GBR in various indications	Presentation: D. Buser Room: Szenario

* if more than 30 participants sign up, a second course will be offered

The Kursaal Bern – for events of excellence!

The Kursaal Bern is unique in Switzerland. It comprises one of the country's most modern congress and event venues, a 4-star superior lifestyle hotel, speciality restaurants – and the finest vantage point overlooking our captivating capital. Each and every day no fewer than 2000 satisfied guests meet, stay, wine and dine here in the heart of one of Switzerland's most scenic cities. Fine views extend over the historic old town to the distant Alps. And Symposium participants are offered free admission to our in-house Grand Casino. Recent years have seen extensive upgrading of the 171-room Hotel Allegro and meeting facilities, including the opening of our new Congress Center and spacious, spectacular Forum. Welcome to the Kursaal Bern – your top Swiss venue for international events of excellence!

1st International Symposium

Friday, November 8, 2013

Room: Arena

From 8.00 Registration for the 1st International Symposium

08:45 Welcome D. Buser / A. Sculean

Session 1: Regeneration in Periodontology

Moderation: G. Rasperini & L. Trombelli

09:00 Up-date on biology of periodontal wound healing and regeneration D. Bosshardt

09:30 Bone grafts for periodontal regeneration: does it make sense? A. Stavropoulos

10:00 Guided tissue regeneration: still a realistic option? N. Donos

10:30 **Coffee break**

11:00 Clinical concepts in regenerative periodontal therapy A. Sculean

11:30 Aggressive periodontitis – Tissue regeneration and maintenance Z. Artzi

12:00 Panel discussion

12:30 **Lunch**

Session 2: Bone Augmentation in Implant Dentistry

Moderation: D. Buser & S. Chen

13:45 Up-date on bone biology concerning bone augmentation R. Gruber

14:15 Simultaneous vs. staged approach with GBR V. Chappuis

14:45 Collagen vs. synthetic barrier membranes R. Jung

15:15 **Coffee break**

15:45 Horizontal vs. vertical bone augmentation with GBR I. Urban

16:15 Vertical bone augmentation with PDGF M. Simion

16:45 Bone augmentation with BMP-2: Where are we today? D. Cochran

17:15 Panel discussion

17:45 **End of day 1**

1st International Symposium

Saturday, November 9, 2013

Room: Arena

Session 3: Esthetics in Periodontology

Moderation: A. Sculean & N. Donos

08:45	Decision making to improve predictability of root coverage procedures	G. Rasperini
09:15	Microsurgical concepts to optimize the esthetic outcomes	O. Zuhr
09:45	Root coverage procedures, what, when and how?	C. Nemcovsky
10:15	Coffee break	
10:45	Minimally invasive regenerative approach: a way to optimize esthetics?	L. Trombelli
11:15	Papilla reconstruction: Still a fiction?	S. Aroca
11:45	Panel discussion	
12:15	Lunch	

Session 4: Esthetics in Implant Dentistry

Moderation: D. Cochran & R. Jung

13:30	How the timing of implant placement influence esthetic outcomes	S. Chen
14:00	Single tooth gaps vs. extended edentulous spaces	U. Grunder
14:30	Correction of vertical tissue deficiencies with pink power	F. Vailati
15:00	Surgical handling of esthetic implant failures	D. Buser
15:30	Panel discussion	
16:00	End of congress
